

DECORATIVE FLOOR, COUNTERTOP and ART EPOXY

Instruction includes everything from surface prep, moisture testing and vapor barriers, cove base fabrication and installation and application of various decorative epoxy finishes suitable for indoor and outdoor locations. We cover Flake / Vinyl Chip as well as Quartz, Metallic's Glitter and 3D Systems. We will use a variety of products to create versatile Hybrid Systems too. Class room and hands-on experience.

We will also cover estimating jobs and best practices for starting your business, including website and marketing so you can be found and become successful. We have a full line of international and local products and supplies as well as a full line of equipment. We ship around the country every day and have forty-nine branch offices throughout the United States, Canada and Europe to make pickup in your area easy. We can point you in the right direction for equipment financing if needed too.

This is an intensive and in-depth training course!

Classes are five days, Monday through Friday from 9:00am – 5:00pm. We provide a lite breakfast and a healthy lunch each day. Coffee and Water is always available. Course registration is \$1,750.00 plus 7% local tax and includes a Training Manual, T-Shirt and Course Completion Certificate. Discounts for additional group members. Students should arrive at 8:45am each day. *It's a good idea to bring along a hoodie, sweater or light jacket for our air-conditioned class room sessions.* We can direct you to plenty of local hotels within everyone's budget. We are close to the beach, restaurants and plenty of local attractions to keep you entertained after class. Call me and I'll be glad to help with your needs.

We are about 20 miles North of Ft. Lauderdale Airport, 41 miles North of Miami Airport and 35 Miles South of West Palm Beach Airport. Lyft and Uber service is readily available. Bus stops are within walking distance and the nearest train (Tri-Rail) is about 2 miles from our door.
